

PROJECT EXECUTION NOTICE (PEN) / FIXED-RATE RFQ

Project ID: PRJ- 2021 -METRO | **Issue Date:** 28 July 2026 | **Closing Date:** (As per Portal)

1. EXECUTIVE PROJECT DETAILS

Urgent mega-infrastructure requirement for specialized Metro Station Construction, Viaduct Pillars, Bridge engineering, Road Over Bridge (ROB) structural developments, and heavy on-site Fabrication works. This high-value public transport infrastructure package is open by **YaxxxInxxxxProjxxxPvtLtd** (Confidential Leading Infrastructure Main Contractor). We invite capacity declarations exclusively from large-scale Class-A infrastructure companies and highly experienced metro/bridge subcontractors.

Parameter	Details
Project Name	Jaipur Metro Work & Heavy Bridge/ROB Infrastructure Project
Open By Company	YaxxxInxxxxProjxxxPvtLtd (Confidential Main EPC Contractor)
End Client / Principal	Jaipur Metro Rail Corporation (JMRC) / Urban Development Framework
Total Project Metrics	10 Stations across an alignment area spanning 10.4 Km (Total Value: ₹980 Crore)
Current Allocated Scope	2 Metro Stations & Associated Pillars with complete civil/structural works

Category & Duration	Metro Rail Infrastructure, Heavy Civil Engineering & Metal Fabrication
Target Vendor	Class-A Infrastructure Subcontractors & Bridge Construction Specialists
Mandatory Eligibility	Prior execution experience of minimum ₹150 Crore in Metro Rail / Bridge Works
Project Status	OPEN (Invite for Capacity Declaration & Technical Vetting)
Projected Package Value	₹ 150 Crore (Approximate Core Work Allocation)

2. PROJECT MEDIA & QUICK RESOURCE LINKS

Review the following visual references, structural guidelines, and layout maps before declaring compliance:

- **Audio/Video Briefing:**[NA](#)
- **On-Site Fabrication Snaps:**[NA](#)
- **Master SOW & Engineering Drawings:**[NA](#)

3. SCOPE OF WORK (SOW) SUMMARY

This high-tier allocation demands maximum engineering precision. The complete turnkey execution package for the 2 assigned stations and connecting viaduct pillars includes:

- **Heavy Structural & Civil Foundations:**
 - Bulk earthwork excavation, pile driving, pile cap construction, and cast-in-situ concrete pier/pillar erection.
 - Structural subgrade development, heavy reinforcement rebar binding, and premium grade RCC pouring/shuttering for the main station buildings.
- **Bridge & Road Over Bridge (ROB) Works:**

- Launching of pre-cast concrete girders, segmental block joining, viaduct dressing, and span integration.
- Turnkey execution of minor/major bridge structures and complex Road Over Bridge (ROB) panels mapping seamlessly over designated crossings.
- **Heavy Structural Metal Fabrication:**
 - On-site precision steel cutting, arc welding, gas profile cutting, and assembly of safety steel barriers, railings, staircases, and station canopy frameworks.
 - Structural iron fabrication matching strict transit safety metrics and vibration load thresholds.

4. REGULATORY PAYMENT MILESTONES & DISBURSEMENT

- **Billing Model:** Regular progressive monthly milestone billing tracked via joint measurement records (JMR) certified by the Principal Client's engineering division.
- **Payment Cycle:** Disbursed smoothly as per standard corporate main-contractor terms within the portal guidelines post-approval of individual station inspection logs.

5. VENDOR CAPACITY DECLARATION & HOW TO PROCEED

 **Limited Allocation Notice:** Due to the technical complexity and financial scale of this package, allocation processes will filter strictly based on past project values.

 **Click on "Quote - Infrastructure Capacity Sheet" on the portal and follow these steps:**

- **Step 1:** Input your registered Corporate Name, Turn-over parameters, and exact past metro experience, then click the **Orange Check box**.
- **Step 2:** Note down the system-generated technical evaluation quote tracker number.
- **Step 3:** Upload your scanned copies of completion certificates proving **₹150 Crore minimum metro execution history** along with your active tool/machinery inventory list (Cranes, Batching plants, Shuttering sets).
- **Step 4:** State your available expert workforce and mobilization lead time to start physical execution in Jaipur.
- **Step 5:** Finalize your submission by locking your active bid parameter tab.

6. PLATFORM FEES & CHARGES

To maintain secure document delivery and direct corporate vetting through the automated B2B pipeline:

- **Proposal / Technical Entry Processing:** Standard portal onboarding criteria apply based on corporate tier groups.
- **Commitment / Royalty Fee:** Standard platform success royalty percentages apply upon official contract empanelment and final Work Order issuance.

Bank Details for Manual Portal Transfers:

- **Account Name:** Zugnoo Home Sync Solution LLP
- **Account Number:** 05871140018332 | **IFSC:** HDFC0000587 | **Bank:** HDFC Bank

7. VENDOR COMPLIANCE TERMS & LEGAL DISCLAIMER

VendorMate Standard Corporate Terms:

1. **Transit Quality Standards:** All concrete cube testing, reinforcement layouts, welding radiography checks, and pre-cast girder launching must pass 100% error-free parameters. Non-compliant execution will attract strict regulatory penalties from the end client.
2. **Mandatory Labor Safety:** High-rise and mass transit safety gears (PPE, industrial harness lines, safety welding goggles, crash helms) must be active 24x7. The sub-vendor is exclusively responsible for on-site workforce welfare and insurance compliances.
3. **Anti-Bypass Policy:** Any offline efforts to bypass the platform network to pitch directly to JMRC authorities or the main contractor will trigger permanent registration termination.

LEGAL DISCLAIMER REGARDING CHAT PARAMETERS & IMAGES:

- **Illustrative Conceptual Use Only:** Is Project Execution Notice (PEN) / RFQ mein dikhaye gaye sabhi on-site screenshots, chat notes (jaise fabrication, bridge kr kaam, rob sab h), aur structural values Client ke shared details ke aadhar par informational purposes ke liye map kiye gaye hain. Inka mukhya uddeshya sirf experienced agencies ko core concept aur requirements samjane ke liye hai.*
- **Execution Standards:** Shared visual references purely "**For Reference Only**" hain. Actual project parameters, exact concrete

cubic dimensions, steel grading matrices, fabrication parameters, aur linear kilometer curves strictly official JMRC drawings aur main contract structural specifications ke aadhar par hi execute honge.*

- **Main Contractor Supremacy:** Execution lifecycle ke dauran kisi bhi design alteration, alignment mismatch, ya structural calculation variation mein main contractor/end client ki signed engineering prints hi legally binding aur final maani jayengi.*
- **No Legal Claims on Visuals:** Vendor in reference chat snapshots ya casual field graphics ko aadhar banakar financial extra claims, structural adjustments, project delay excuses, ya legal dispute parameters raise nahi kar sakta hai.*

By proceeding with the capacity declaration forms or uploading technical credentials for this project layout, the vendor legally acknowledges, validates, and unconditionally accepts all operational terms, verification milestones, and standard guidelines stated on the VendorMate platform (www.vendormate.in).
