Carving a niche as a trusted partner for EPC projects, we deliver robust infrastructure solutions with precision and compliance.

- ✓ **Ownership:** Proprietorship under Mrs. Yogesh.
- ✓ **Leadership:** Guided by CEO Mr. Sunny Lakra.
- ✓ **Track Record:** 5+ years operational excellence.
- ✓ **Scale:** INR 2.3 Crores+ aggregate turnover.

VISION, MISSION & VALUES

Our Vision

To be the premier infrastructure development partner in India's telecommunications and solar sectors, globally recognized for unwavering commitment to quality and sustainable innovation.

Our Mission

To execute and deliver complex Telecom and Solar EPC projects with zero defects and within stipulated timelines, fostering a culture of absolute on-site safety.

Core Values

Providing unparalleled value to our corporate clients, enabling seamless digital connectivity and driving the adoption of green energy across the nation.

CORE EXPERTISE & SERVICES

Service Domain	Detailed Description
Telecom Tower Erection	End-to-end installation of GBT and RTT telecommunication towers, strictly adhering to structural safety standards.
Civil Work s Foundation	Precision engineering works, excavation, reinforcement, and casting of robust concrete foundations for extreme loads.
Operations s Maintenance	Comprehensive O&M services ensuring 99.9% uptime for telecom sites, routine passive inspections, and rapid troubleshooting.
Solar Work s Installations	Design, procurement, and deployment of solar power systems, promoting sustainable energy for independent and telecom sites.
EPC Projects	Turnkey Engineering, Procurement, and Construction management, successfully delivering projects from concept to commissioning.
